WELCOME

Welcome to the Wyandotte Public Schools (WPS) 2022 Benefits Open Enrollment! The District continues to be committed to providing all eligible employees with a comprehensive and competitive benefit package. We continue to offer benefit plans and tools that can help you and your family improve your physical, financial and personal health. This total health approach to benefits provides you with many resources to help you in all aspects of life, and through all of life's stages.

This year we are pleased to announce that we will offer four plan options to you. There has been an increase in your employee cost share due to PA 152, please refer to page five for details. In addition to your medical plan election, you will have the option to participate in the **saving account options** as follows:

- **Health Savings Account (HSA) - for those who enroll in one of the Simply Blue High Deductible BCBSM Health Plans**
- **Flexible Spending Account (FSA) - for those who enroll in one of the Community Blue PPO plans, or for those who opt out of our plan (cash in lieu participants)**
- **Dependent Care Account (available to all benefit eligible employees)**

The **annual benefits enrollment** for the plan year that **begins on January 1, 2022**, will be held **November 15-December 3, 2021**.

Prior year medical plan elections will rollover. If you want to change your medical plan or elect an FSA, HSA or Dependent Care Account you must complete a paper enrollment form and return it by December 3rd.

We take great pride in the benefit programs that we have been able to offer to our employees through the years. Please carefully review this benefits guide for important and valuable information regarding our benefits program.

EMPLOYEE CONTRIBUTIONS

Premium Conversion

To help minimize your employee contribution for your medical plan, WPS will continue to offer an IRC (Internal Revenue Code) Section 125 Premium Conversion Plan. This allows you to pay for your employee contribution for the medical coverage on a pre-tax (before tax) basis. As a result, your net take home pay will be higher than if contributions were deducted on a post-tax (after tax) basis. Contributions taken on a pre-tax basis are not subject to federal or state income taxes or FICA taxes. The amount of savings depends on your individual contribution and tax bracket.

Healthcare Premiums - January 1, 2022 to December 31, 2022

The following chart provides employees with the contributions for the plans offered this year. Figures listed are subject to change if there is a change to the cost of insurance. Amounts paid by WPS are limited by PA 152; employees are responsible for any amounts above limits set by PA 152. Employee contribution rates effective January 1 , 2022 are:

Health Savings Account Overview

A **Health Savings Account (HSA)** is a cross between a flexible spending account (FSA), an IRA, and a 401(k)/403(b). **Only those who enroll in the BCBSM Simply Blue plan have the option to participate in the HSA, if eligible.** You can access your HSA to pay for eligible expenses. In addition, your account has the ability to grow, year-to-year, tax deferred. HealthEquity will be the HSA third party trustee. The HSA account is your property and responsibility. Like a 401(k)/403(b), it is your money and stays with you.

Eligibility

You must meet certain other requirements in order to participate in the HSA Contribution feature. To be eligible, you must:

(a) Be covered by the Simply Blue High Deductible Health Plans;

(b) Not be claimed as another person's tax dependent;

(c) Not be covered by Medicare; and

(d) Not have any health coverage other than coverage under a High Deductible Health Plan. Other coverage that will disqualify you from being eligible for the HSA Contribution Feature includes, but not limited to, coverage under your spouse's health plan if his/hers is not considered a HDHP plan under IRS guidelines. Coverage under your spouse's medical expense reimbursement plan or flexible spending account, and coverage under a health reimbursement arrangement, including your spouse's health reimbursement arrangement.

HSA Employer Funding

For the 2022 plan year, WPS will partially fund each employee's HSA account for those who enroll in the Simply Blue $2000/$4000 plan or enroll in Single Coverage in the Simply Blue $1,400/$2,800 plan only. Please note that this applies to benefit eligible employees only. Below is an overview of funding.

WPS 2022 Total HSA Funding	HSA Funding Date
$225 Single $450 Couple or Family	**First week of January of 2022**

HSA Employee Funding (Optional)

In additional to the Health Savings Account (HSA) funding you may receive from WPS, you will have the option to fund your account with pre-tax dollars.

The Statutory Maximum HSA Contribution for **2022** calendar year is $3,650 for a single and $7,300 for a family. These limits included both your and WPS's contributions. If you are age 55 or older, you can make an additional catch-up contribution amount of $1,000 in 2022. The HSA cannot receive contributions after you have enrolled in Medicare.

You have the ability to adjust your HSA pre-tax election monthly.

Using Your HSA

Money in your HSA can be used to pay for a variety of healthcare-related expenses for you and your IRS eligible dependents (any out of pocket medical, dental and vision coverage after the insurance plan pays or processes the claim) ranging from routine physicals to prescription drugs. A full listing of eligible expenses can be found at: **http://www.irs.gov/pub/irs-pdf/p969.pdf**. To pay for expenses, you simply present your HSA debit card to your provider, and money will be deducted directly from your HSA.

Keeping track of your account balance is easy. You can review your account information 24/7 by logging onto the www.BCBSM.com website or by calling HealthEquity at 877-284-9840.

Your HSA money is tax-free as long as it is used to pay for qualified medical expenses. If you use the money for any other reason, you will be required to pay income tax and a 20% tax penalty on that amount (you will not pay a penalty if you are disabled or age 65 or older).

Please note that you are not required to submit receipts for the purchases that you make with your HSA funds. It is your responsibility to keep the supporting records to show the Internal Revenue Service whether you used the funds to pay qualified medical expenses.

HEALTH SAVINGS ACCOUNT (CONTINUED)

Frequently Asked Questions

What is my HSA?

Your HSA is a health savings account (as defined under the Internal Revenue Code) established by you with a third party trustee/custodian (e.g., bank or insurance company) that is authorized to be the trustee of HSAs. Your Employer does not establish or sponsor your HSA. Furthermore, your Employer does not own your HSA; it is owned by you.

You may invest the funds in your HSA as allowed by the trustee/custodian of the account. Your employer has no control of; or responsibility for the investment of your HSA.

What are the limits on the amount of contributions?

The total contributions made by you and/or made on your behalf (i.e., contributions by your Employer) into HSAs owned by you are subject to a maximum contribution limit.

You are allowed to make or receive an additional—catch up contribution for the year in which you will attain age 55 before the end of the year and for any year thereafter while you remain eligible. The catch-up contribution is currently $1,000 per year.

If you are eligible for contributions for only a portion for the year, your maximum contribution (including catch up contributions) is determined in accordance with the following "rules":

(a) Not Eligible on December 1st. If you cease to be eligible for contributions prior to December 1st of a particular year, the contribution limit for that year will be a fraction of the maximum contribution for the full year based upon the number of months in which you were eligible.

For Example, if you have single coverage under a qualifying High Deductible Health Plan, you are not eligible for catch up contributions, but are eligible only during January through June (i.e., six months of the year), your maximum contribution will be limited.

(b) Eligible on December 1st. If you become eligible for HSA contributions during a particular year and you are eligible as of December 1st of that year, your maximum contribution for that year is the full indexed amount.

However, if you become ineligible for HSA contributions during the twelve (12) month period beginning with December of that year, you will not be entitled to the full maximum contribution. Instead, your maximum contribution will be a fraction of the maximum contribution for the full year based upon the number of months in which you were eligible during that year. The excess contributions will be included in your gross income and an additional tax will be imposed on those contributions.

If you are married and both you and your spouse have coverage under a Qualifying High Deductible Health Plan and you both have health savings accounts, the limit is divided equally between you (unless you agree to a different allocation).

Rollover contributions may also be made to an HSA from another health savings account or from an Archer MSA. Rollover contributions are not subject to the contribution limit described above, however, exclusions do apply.

HEALTH SAVINGS ACCOUNT (CONTINUED)

What happens if my contributions exceed the contribution limit?

If the contributions to your HSA exceed the applicable maximum contribution limit for a year, generally the excess contributions will be included in your income and an excise tax will be imposed upon them. However, you can avoid the excess tax if you take a distribution of the excess contributions (and the net income attributable to the excess contribution) before the last day (including extensions) for filing your federal income tax return. This distribution must be included as a taxable income when you file your taxes.

What are the tax consequences of the HSA Contribution Feature?

The contributions made under this HSA Contribution Feature will not be included in your gross income, unless they exceed the applicable maximum contribution limit as discussed above.

What are the rules regarding distributions from my HSA?

Your Employer has no control over or involvement with distributions made from your HSA. Your Employer does not substantiate expenses for which such distributions are made. Information regarding the procedure for obtaining distributions and the consequences of taking distributions is available from the trustee/custodian of your HSA.

When does my participation end?

Participation in the HSA Contribution Feature ends upon the earlier of the date your participation in the Plan ceases or the date you no longer satisfy the eligibility requirements of the plan. You need not be a participant in the HSA Contribution Feature (or be employed by the Employer) in order to obtain distributions from your HSA. In addition, you may make contributions to your HSA outside this Plan, provided you are eligible to do so under IRS rules, after you have left employment with the Employer or have ceased to be a participant in the Plan.

NOTE: This HSA Contribution Feature is **not** a group health plan for purposes of the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended (COBRA), the Family and Medical Leave Act (FMLA), and the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA). COBRA, FMLA, and USERRA do not apply to this HSA Contribution Feature. However, COBRA, FMLA, and USSERRA may apply to the Qualifying High Deductible Health Plan.

Can the contributions made to my HSA be forfeited?

No, once the contributions have been deposited in you HSA, you will have a non-forfeitable interest in the funds. You will be free to request a distribution of the funds or to move them to another provider of HSAs, to the extent allowed by law.

What are the reporting requirements?

Your Employer is responsible for reporting contributions made to your HSA through this HSA Contribution Feature on your Form W-2. You are also responsible for reporting contributions to your HSA, and for reporting distributions from your HSA, on appropriate forms available from IRS.

The intent of this analysis is to provide you with general information regarding the status of, and/or potential concerns related to, your current employee benefits environment. Flexible Spending Accounts (FSA)

WPS will continue to offer the Health Care and Dependent Care Flexible Spending Accounts (FSA's). The Health Care and Dependent Care Flexible Spending Accounts allow you to set aside pre-tax dollars from your paycheck to pay for eligible health care and/or dependent care expenses.

Effective January 1st the FSA plan will continue to be offered through Employee Benefit Concepts.
Employees who enroll in the BCBSM Simply Blue Plan are NOT eligible for a Health Care FSA. The FSA plan year will be 1/1/22 through 12/31/22.

All benefit eligible employees have the ability to enroll in the Dependent Care FSA plan.

Please refer to the FSA packet from Employee Benefit Concepts for specific plan details.

You can contribute:

- Up to **$2,750** per year to the Health Care FSA
- Up to **$5,000** per year to the Dependent Care FSA.

Below is a short listing of eligible expenses:

Eligible Healthcare Expenses
• Deductibles, Co-Insurance, Co-Pays, etc.
• Routine Physical Exams
• Mental Health / Substance Abuse Services
• Vision Expenses
• Dental Expenses
• Over-the-Counter (OTC) Medications
Eligible Dependent Healthcare Expenses
• Child Care (daycare / preschool)
• Before/After school care
• Day Camps
• In-Service days (no school)
• School Holidays / Vacation
• Transportation

Please note:

If you are currently enrolled in the Health FSA plan (2021 Plan Year) and intend to enroll in the Simply Blue PPO HSA plan for the 2022 Plan Year you MUST have a ZERO balance in your FSA. The WPS Cafeteria Plan allows employees to carry over up to $500 of unused amounts remaining in their FSA, to be used for Medical Care Expenses incurred during the next Plan Year. To prevent any carryover from interfering with your HSA eligibility, you will be given an opportunity to irrevocably elect to waive (decline) the carryover of any Health FSA amounts that are unused as of the end of the current Plan Year. You will be required to sign a waiver form prior to the end of the 2021 Plan Year.

Important Notifications

Change in Status or Special Enrollment

You may qualify for a special enrollment if certain events occur in your life:

- If you decline coverage for yourself and/or your dependents (including your spouse) because you are covered under another health plan, you may be able to enroll yourself and/or your dependents in the plan if you experience an involuntary loss of that coverage (e.g., spouse loses his/her job, divorce).
- If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents in the plan.

In either situation, you must request enrollment through the Employee Benefits Department within 30 days after the special enrollment event as described above. If you enroll as the result of a special enrollment event, coverage will be made effective on the date of the event.

Newborn and Mother's Health Protection Act

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section.

However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Women's Health & Cancer Rights Act

Federal law requires a group health plan to provide coverage for the following services to an individual receiving plan benefits in connection with a mastectomy:

These services include:

- Reconstruction of the breast upon which the mastectomy has been performed;
- Surgery/reconstruction of the other breast to produce a symmetrical appearance;
- Prosthesis;
- Physical complication during all stages of mastectomy, including lymph edemas.

The plan may not:

- Interfere with a woman's right under the plan to avoid these requirements;
- Offer inducements to the health provider, or assess penalties against the health provider, in an attempt to interfere with the requirements of the law.

However, the plan may apply deductibles and co-insurance requirements consistent with other coverage provided under the plan.

Beneficiary Update

Have You Had a Major Life Event?

If you've recently tied the knot, welcomed a baby, adopted a child, undergone a divorce or suffered a death in the family, it's probably time to update your beneficiary. Imagine how your spouse may feel if your Life Insurance benefits were unintentionally left to someone else… your ex-spouse happily receives a large sum of cash while your family helplessly watches. These situations can and do happen. Update your Life Insurance beneficiary today!

Tips about Beneficiaries:

- If you do not designate a primary beneficiary, the payment may pass to your estate where it could be subject to taxes and fees, or your state law may determine who receives the benefit.
- Be sure to list a secondary beneficiary in the event your primary beneficiary precedes you in death.
- List the full name of each beneficiary instead of "son," "spouse," "wife," etc. This will avoid complications down the line.
- If you have more than one primary beneficiary – specify the percentage of proceeds each one should receive.
- Make sure contact information for your beneficiaries is up to date with your HR department.
- Think carefully about all options before naming minor children as Life Insurance beneficiaries. By law, minors cannot receive or control these assets, so funds must be distributed to someone else. Distribution may be determined by the executor or in some cases, the State. No matter the size of your estate or your Life Insurance policy, it is best to channel the assets into a trust to be distributed to your heirs according to your specific instructions. A trust is not as complicated as it sounds and can be affordable to set up.
- If you list specific beneficiaries, then your Life Insurance policy will override your will. Make sure your wishes are covered in both documents.
- If you live in a Marital Property state and you want to name someone other than your spouse, your spouse may still have a marital property claim to part or all of the death benefit. If you want to name someone other than your spouse, have your spouse sign the beneficiary statement or submit a signed and dated letter giving his or her permission.
- You can make your favorite charity or non-profit your beneficiary. Be sure to include Tax ID and contact information.
- Consider consulting an advisor (investment professional, accountant, lawyer, etc.) if you have specific questions.
